Career/College Counselling (High School Kids)

Why are we different?

SQUARE D Academy	Other Institutes
Explain concepts/basics the way student can understand	Provide worksheets, explain only if kid has any questions (Self Study)
Highly Experienced and Result driven Instructor (with at least Bachelor/Master Degree)	Instructors are High School/College Students
Weekly Homework to strengthen concepts learned and go over difficulties	Not all institutes give Homework Does not go over difficulties
Career guidance and College Consulting Open Communication with Parents	Just focus on School HW or worksheets Not enough knowledge of Career Guidance
Save parents' time and money on gas	Spend time on driving and waiting, money on gas
